Whether you are traveling to the farthest ends of the earth or riding a school bus down the block, let AB Emblem's Luggage tags identify your stuff.

Put it on your backpack, golf bag, fishing rod case, gun case, camera bag, diaper bag or stroller... The possibilities are endless!

An embroidered tag not only looks nicer than plastic, but it is also pliable which means it can take more abuse than your standard luggage tag. These customized tags are a hit as giveaways at shows and events, and are an excellent promotional tool.
